

SAND BID
TOWN OF RINDGE

QUANTITY

The quantity listed is an estimate only. It is based on usage and may increase or decrease to meet requirements.

Estimated usage 2500 cubic yards

CONTRACT PERIOD

The contract is to cover a six-month period (November 1, 2026 – April 30, 2027)

DELIVERY

Truck deliveries of sand shall be made to the storage shed in the highway yard, Main St., Rindge, NH. The storage shed is capable of holding 330 cubic yards. Generally, the vendor should anticipate orders for sand in the amount of 150 cubic yards per order.

Deliveries of sand shall be dumped at a location directed by Highway Department employees, either outside the storage building or inside whenever it is feasible to do so.

TIME OF DELIVERY

Truck deliveries shall be accepted only between the hours of 7:00 am and 3:30 pm Monday through Friday, unless special arrangements are made with the Road Agent or his designee.

NOTICE OF DELIVERY

The Road Agent or his designee shall notify the sand supplier when the shed is approximately half full. The sand supplier shall start replenishing the stockpile within a forty-eight-hour period.

DELIVERY SLIPS

Delivery slips shall be made available to town employees as each load is delivered.

SAND BID
TOWN OF RINDGE

FAILURE TO DELIVER

Whenever the contractor is unable to deliver sand within three working days of receiving the order from the Rindge Road Agent or his designees, the Town reserves the right to purchase sand from the vendor of its choice. Any difference in cost shall be charged to the vendor in default.

CANCELLATION

The Town of Rindge reserves the right to cancel any unfilled portion of the contract, provided that, in the opinion of the Town Administrator and Road Agent, the services of material provided by the contractor are unsatisfactory or not consistent with the terms of the contract.

METHOD OF AWARD

Award will be made to the lowest bidder meeting all specifications, delivery requirements, and otherwise meeting requirements set forth by the procurement policy adopted by the Board of Selectmen of the Town of Rindge.

SAND

The sand shall be used for town roads, sidewalks, and parking lots, to be mixed with salt, and other highway projects as necessary. The sand offered must meet Technical Specifications attached herein. The Town of Rindge may require testing of the materials offered to certify compliance with the Requirements. The testing will be performed by an independent soil testing laboratory at no cost or obligation to the town.

SEALED BID

Will be opened at the Office of the Selectmen, 30 Payson Hill Rd, Rindge, NH, at 10:00 am on Thursday, October 8th, 2026.
